

PARACAS+PACHACAMAC

Level: All

Altitude: Between 0 and 600 m (0 to 1.800 ft)

Season all year. Ideal from December to April

The National Reserve of Paracas is the only coastal marine reserve of Peru that includes portions of the sea in its territory. It has special characteristics of flora and fauna and is home to several species of migratory birds, here we will enjoy the quietness of beaches and nature, gastronomy and Peruvian pisco drink. The tour that takes us by coastal valleys as Pachacamac and National Reserve of Paracas is a complete experience about coastal life.
